

"Iteration Planning With The Captain"

Select from the following activities.

Note why you **have** or have **not** chosen an activity:

..... Preparation

..... Introduction

..... Vision & Roadmap

..... Current Status

..... Iteration Theme/Name

..... Prior Data

..... Dates

..... Capacity

..... Issues/Logistics

..... DOD

..... Backlog Extract

..... Tasking

..... Issues & Risks

..... Dependencies & Assumptions

..... "Commitment" – actually it's a Forecast!

..... Communications

..... Parking Lot

..... Actions

..... Retrospect

Are there any extra activities specific to your team or process that you need?

.....

Provide a range estimate for how long each selected activity will take for *your* team. Total:

Which 3 activities do you believe are most valuable, who for & why?

.....

.....

How will you complete these effectively?
